Principal's Message:
Greetings Divisadero! Marking Period 4 ended February 28th, and we are moving fast through the next marking period. We are getting closer to the end of the school year, leaving us with just a few short months to achieve academic success through both grade levels. Our 8th graders visited Mt. Whitney and have started the process to register for their classes for their freshman year. Our incoming 7th graders will be here this month to visit us, and we are excited about welcoming our next set of students. As you can see, it’s a busy time at Divisadero, and the activity doesn’t slow down as we begin our state testing in April. After the testing season comes to an end, we jump right into the final stages of the school year with year-end activities that include Academic Awards Night, 8th grade Adventure Park, Play Day, Finals, the Farewell Assembly, and our promotion ceremony. All these planned events require student success and academic achievement, and we are ready to support every student so they are eligible to participate in all of our events. We ask that our parents and school community join us in that support so we can have the most successful middle school in Visalia. To that end, I continue my invitation to parents and our school community to visit us as a volunteer and help our students in any way you can. Go Trojans!

Campus News:
Congratulations to our Trojan Wrestlers who earned a league championship. Julian Gonzales, Trey Bedolla, Xavier Escamilla, and Nathaniel Culberson all earned individual league titles in their respective weight classes. The Trojan Wrestling team also attended the Valley Championships in Fresno. Our girl wrestlers earned 2nd place in the Valley as a team, and Xavier Escamilla and Angela Quintanilla each won an individual valley championship. Well done!

In case you missed KSEE 24 News’ broadcast in February, you can go to the link below to see our very own Maxton Vieira being recognized as the Educator of the Week. We are very proud of Mr. Vieira!

Once again, Divisadero History Day students competed at the Tulare County History Day event, and the projects fit into the yearly theme of Breaking Barriers in History perfectly. Savannah Davis prepared an individual exhibit about the Berlin Wall, which was well researched and written that included a video primary source of the wall being torn down. The detail of this project also included an actual piece of the Berlin Wall itself. Amazing! Our other project this year was a group exhibit prepared by Natalia Deleon, Ruben Regalado and Erik Regalado. It centered on the female pilots of WWII called the WASPS. The project well researched and professional looking that

3/2 → Staff Meeting (3:30 p.m.)
3/3 → Anime Club (3:30 p.m.)
3/5 → CMEA Band Festival
3/7 → CMEA Choral Festival, Day 1
3/10 → CMEA Choral Festival, Day 2
3/12 → LEGO Robotics Club (3:30 p.m.)
3/13 → MP4 Celebration (2:15 p.m.)
3/14 → Car Show (10:00 a.m.)
3/15 → Anime Club (3:30 p.m.)
3/19 → LEGO Robotics Club (3:30 p.m.)
3/23 → Baseball vs. La Joya (3:30 p.m.)
3/24 → Anime Club (3:30 p.m.)

3/26 → LEGO Robotics Club (3:30 p.m.)
3/30 → CMEA Jazz Festival @ Hanford High, Day 1
3/31 → CMEA Jazz Festival @ Hanford High, Day 2

The mission of Divisadero Middle School is to provide a system of consistent expectations that will lead to academic success and promote the growth of Character, Achievement, Respect and Effort.
When Trojans C.A.R.E., Trojans have P.O.W.E.R.

A variety of pictures and models of the planes the WASPS flew. After a fierce competition of many projects throughout the county, our group project of Natalia, Ruben, and Erik was selected as a finalist to compete at the California State History Day competition in Rocklin the weekend of May 8th. We are very proud of all our contestants, and we wish Natalia, Ruben and Erik the best as they compete at the state level.

We continue our ongoing message for 8th grade promotion. In order to participate in the 8th grade promotion ceremony on June 5, 2020, as required by VUSD board policy, 8th graders must earn proficient semester grade of 2.3 or better in all subjects and must maintain a daily attendance rate of 94%. If your student is not meeting these requirements, we ask that you continue our message at home, provide the necessary support for your student to complete work at home, and reach out to us for added assistance so we can work together in reaching academic success for your student.

Divisadero is a school that CAREs with each letter representing our expectations for the students: Character, Achievement, Respect, and Effort. In extending our CARE motto, we have introduced Trojan POWER. When Trojans CARE, Trojans have POWER through their efforts of being Present, On-time, Working Hard, Earning Everything, and Responding positively.

Your Principal, Mr. Aguilar (559-730-7661; raguilar@vusd.org)

C.A.R.E. CORNER

Focus Attribute: Achievement

“There is amazing what you can accomplish if you do not care who gets the credit.”

Harry S. Truman

TROJAN TOP FIVE Extending C.A.R.E. with P.O.W.E.R.

Present
On time
Work hard
Earn everything
Respond positively

“More fun in Art”

We have some amazing students who want to showcase their artistic talent in Mrs. Yoder’s classes.

Honoring Our Students

The Visalia/Sequoia Kiwanis Club honored one of our students in the Student of the Season Recognition Program at their February 19 breakfast meeting at Adventure Park. Eighth grader Ruben Regalado was awarded Student of the Season, and his teachers had high praises for his work ethic, responsibility, and overall demonstration of a Trojan that C.A.R.E.s and who has Trojan P.O.W.E.R. Congratulations Ruben!
