Classroom Placements 2020-2021
Parent Input Form

Dear Parents,

During the month of May we will be preparing class lists for the 2020-2021 school year. When putting class groups together, we consider numerous factors, including academic needs, gender, ethnicity, social relationships, and behavior. In addition, we know that you as parents have information about your child that can be helpful to us as we prepare for next year.

This form is provided as a means for you to inform us of any special learning needs or concerns you have regarding your child. While we do not take requests for classroom placement or guarantee a classroom placement, we do want you to know that we will make every effort to address any special learning needs your child has. Information on this form is regarded as confidential and will be provided only to the classroom teacher and the principal. If you so choose, complete print this form, complete your response, and email it to dbingaman@vusd.org no later than May 20, 2020.
